

Cpl Donald Fox 535872 RAF

Donald was born on 14 January 1916 in Goole, East Riding of Yorkshire the son of William Fox and Marion Fox nee Shirtcliffe. He was a member of 110 Sqn Ground Crew.

At 0745 on 1 November 1940, a low flying DO17Z dropped a stick of ten 50Kg HE bombs on RAF Wattisham. The bombs started detonating in the married quarters before sweeping across the administration site and ending near the hangers. Bombs scored direct hits on 3 barrack blocks and the station married quarters. The concrete floor in one of the barrack blocks collapsed onto the sleeping airman on the ground floor, and damage was considerable. 12 were killed, 4 seriously injured and 15 were slightly hurt.

At 0800, the Dornier (Do 17Z-2 3387 of 4./KG3), based in Belgium and piloted by Lt Fritz Bräuer, was shot down over the North Sea, off Orfordness, by a Hurricane fighter.
